

DEXTER

Model No. 2057

DESIGN GINO CAROLLO

Following the chair series of the 1950s, the DEXTER now also comes with a frame of wire mesh – at that time revolutionary. The chair frame fits perfectly to the sweeping lines of the seat shell. And all this is rounded off by ultra-soft, fine leather, whose drapery provides the casual look.

AVAILABLE IN THE FOLLOWING MATERIAL VARIANTS:

Model type	Frame	Size
	bent round steel coated black with PVC glides (standard) or felt glides	W - D - H approx. in cm
