

Forrest

Poltroncina dal fascino discreto: lo schienale ricurvo e le rotondità che definiscono i braccioli rappresentano un affettuoso omaggio alla tradizione riletta in chiave moderna. Forrest è in massello di rovere con inserto in giunco per lo schienale; la versione Soft si distingue per il rivestimento che riveste l'intera struttura. La collezione comprende anche love seat, bergère, pouf e panca.

This small armchair shows a subtle glamour: the curved back and the rounded armrest represent a tender contemporary tribute to tradition. Forrest is made of solid stained oak with a cane insert on the backrest; the Soft version is different for its fabric or leather coatings that cover the entire structure. This collection is completed by a love seat, a bergère, an ottoman and a bench.
