

Scott

Letto tessile imbottito che si distingue per il ricercato contrasto formale tra la forma geometrica squadrata della testiera e i volumi morbidi della struttura. Le possibilità offerte dalle varie dimensioni e dai rivestimenti lo rendono un prodotto estremamente versatile nella sua semplicità.

Upholstered textile bed which is characterized by the refined formal contrast between the geometric square shape of the headboard and the smooth and slightly curved shape of the frame. The versatility of this collection emerges thanks to its different customization options, which include various dimensions and covers.
